The Dow tumbled another **-414** points on Friday to close at **22,445** (**-9.2%** YTD) and is now near its lowest point in 52 weeks: [LINK](#)

No real "printing-related" news this week...and the **Red** in the above chart simply says it all! The stock market is in a **huge** "funk"...

A few features have been added to the PrintStockWatch website...one is a link to the *Printing Impressions 400* [LINK](#) and the other is an archive of the trailing three months (T3M) of PSW editions [LINK](#) just in case you might have missed one.

Roger and I would like to wish the entire extended Anderson family a **very Merry Christmas**...please take a few minutes to **listen** to the [Quote for the Week](#) !
